

REMARKS

Claims 1-25 have been cancelled and replaced with new claims 26-46 to reduce multiple dependencies more closely conform with U.S. practice. New claims 26-46 find support in original claims 1-25. The amendments are not intended to change the scope of the claims. An abstract, substantially identical to the abstract in the international application, has been inserted into the specification.

Entry of the amendment and an early action on the merits is requested.

Respectfully submitted,

KENNETH PARRY *et al.*
